1. During January and February 1954 there were between 50 and 60 jet aircraft on Wuming (N 23-12, E 108-15) Airfield. The airfield, which was completed in April 1953, covered approximately 100 square li and included warehouses and dispersal areas.
2. During February 1954 Nanning Airfield was used by commercial transports and Chinese Communist army supply planes. There were no jet aircraft on the field.

1. [REDACTED] Comment. In 1950 Wuming Airfield was a sod installation measuring 3,500 by 1,050 feet.

[REDACTED]

Indochina border. It is considered unlikely that the presence of a major tactical air unit at Wuming since January could remain undetected.
